

# Master's Admission in Systems Engineering - July 2026 Session

Last update: **15.04.2026**

Please periodically consult the information below to be up to date with how the admission process is organized and conducted!

## Study Programs for Systems Engineering:

[Advanced Process Management](#) (CAP, taught in Romanian)

[Applied Informatics in Complex Systems Engineering](#) (IAISC, taught in Romanian)

[Applied Informatics](#) (AI, taught in Romanian)

[Engineering of Advanced Control for Manufacturing](#) (ICAF, taught in Romanian)

[Cyber Physical Systems](#) (CPS, taught in English)

Candidates are asked to consult the following documents and information at <https://admitereonline.utcluj.ro/facultatea-de-automatica-si-calculatoare-master/>:

- [UTCN Master's Admission Regulations 2026 - 2027](#)

- [Admission methodology for the AC master's degree 2026 - 2027](#)

- [Annex 1. Admission calendar](#)

- [Annex 2. Project template \(ro\)](#) / [Annex 2. Project template \(en\)](#)

- [Number of places \(Systems Engineering\)](#)

- Master's admission committee (contact committee secretary: teodora.sanislav[at]aut.utcluj.ro)

## Admission calendar:

Candidate registration: **17 - 21 July 2026 (last day until 14:00)** (online, on the dedicated platform for this purpose, <https://admitereonline.utcluj.ro/>)

Interview: **July 23, 2026** (according to the schedule posted after the registration period)

Posting preliminary results: **July 23, 2026 (after 20:00)**

Submission of appeals: **July 24, 2026** (they will be formulated and sent to the email address: [contestatiiadmitere@utcluj.ro](mailto:contestatiiadmitere@utcluj.ro) until 13:00)

Appeals resolution: **July 24, 2026**

Posting of results after appeals have been resolved: **July 24, 2026 (after 16:00)**

Confirmation of places: **27 – 28 July 2026 (between 8:00 - 14:00)** (onsite, at the Secretariat of the Automation Department, room 350, str. G. Barițiu, nr. 26-28, Cluj-Napoca)

Posting of the final results of the summer session: **28 July 2026 (after 16:00)**

Confirmation of places occupied following stabilization: no later than **August 31, 2026** at the faculty secretariat (room 45, 26-28 G. Barițiu Street, Cluj-Napoca).

## CANDIDATE REGISTRATION:

Important: During the registration period, candidates are asked to periodically consult their email in order to solve the notifications sent by the commission for the validation of the dossier.

**Documents required for registration** (according to Art. 3.5. of the UTCN Master's Admission Regulations 2026 - 2027):

### A. Electronically completed documents:

A.1. **Application form** - to be filled in online. Based on it, the registration form will be generated in the candidate's dossier.

### B. Documents scanned in electronic format:

B.1. **Bachelor's degree** (or equivalent) or **graduation certificate** (only for the current year's promotion); **Diploma supplement** for previous promotions;

B.2. **Affidavit** regarding the number of years in which the candidate has benefited from budgetary allocation for master's studies (to be downloaded from the platform);

B.3. **Birth certificate**;

B.4. **Identity card or identity card**;

B.5. **Marriage certificate** (if applicable);

B.6. **Proof of payment of the registration fee (receipt or PO)** or supporting documents regarding the fee exemption (according to Art. 3.3 of the UTCN Master's Admission Regulations 2026 - 2027). Payment can be made by card directly within the admission platform, by bank transfer or postal order. More details can be found at <https://admitereonline.utcluj.ro/facultatea-de-automatica-si-calculatoare-master/#informaai-taxa>;

B.7. **Medical certificate**, issued by the family doctor or by the territorial or company dispensary – as the case may be – to which they belong; Candidates with chronic conditions will present a medical certificate endorsed by the county medical commissions for school and professional guidance, which will expressly mention the degree of deficiencies, their location, according to the medical criteria of school and professional guidance. Failure to declare these conditions can entail the institutional consequences in force. The validity of the medical certificate is three **months** from the date of issuance according to the legislation in force;

B.8. If applicable, supporting **documents regarding the financing of the studies at the graduated university**;

B.9. The form containing **Project proposal** for research/development activity, according to Art. 5.2 (1) of the Methodology of the Faculty of Automation and Computers for admission to master's degree studies ([Annex 2. Project template \(en\)](#) / [Annex 2. Project template \(en\)](#)). The project proposal must be **signed** and uploaded in PDF format.

B.10. **Recognized certificate of language proficiency for English level B2 or equivalent** (e.g. Cambridge, IELTS, other, or certificate obtained from the Department of Modern Languages and Communication of UTCN) **for candidates who opt for the study program in English, Cyber Physical Systems (CPS) (regardless of how many positions)**. *Candidates who have completed a bachelor's degree in English can prove their language proficiency through their bachelor's degree/graduation certificate.*

**C. In addition**, only for candidates who are found in Art. 2.2 (5) of the UTCN 2026 - 2027 Master's Admission Regulations:

C.1. **Declaration on own responsibility**, based on the freely expressed will, of assuming the Romanian cultural identity, according to the legislation in force, according to Annex no. 3 of the methodology specific to Romanian candidates everywhere, except for candidates from the Republic of Moldova;

C.2. **Residence permit**, as the case may be;

C.3. **Passport** – copy of the first three pages, according to the specific methodology;

C.4. **CNRED Certificate**;

C.5. **Other documents requested by the ESC/ORI Committee.**

**D.** In the case of candidates who present identity documents, studies and medical certificates issued outside Romania, it is necessary to supplement the file with an authorized translation of them into Romanian, English or French.
