Stimate doamne / Stimati domni,

In 27 octombrie 2022 marcam finalul celor 10 zile ale conferintei Cluj Innovation Days 2022 (editie aniversara), la Grand Hotel Italia, Cluj-Napoca. Am pregatit un program, credem noi, interesant, in care vom discuta cu invitatii nostri despre noile tendinte europene si globale in ceea ce priveste tehnologia si inovatia.

Pentru prima data in Romania, aducem mai multi membri ai juriului European Innovation Council (EIC), ca sa aflam cum sa imbunatatim performanta Romaniei in accesarea fondurilor de finantare a inovației, gestionate prin acest program.

Agenda zilei se va incheia cu o discutie despre inovatorul si antreprenorul secolului XXI, invitat fiind domnul profesor Daniel David, Rector al Universitatii Babes-Bolyai, urmata de un networking cocktail in foaierul hotelului.

Suntem convinsi ca ziua de 27 octombrie este o reala oportunitate pentru dumneavoastra si organizatia pe care o reprezentati, de a identifica noi parteneri, nu doar din zona de IT, pentru viitoare colaborari (agenda completa a zilei este disponibila in documentul alaturat).

Participarea este gratuita, dar va rugam fie sa va preinregistrati pe site-ul conferintei (www.clujinnovationdays.com) fie sa ne confirmati prezenta printr-un reply la acest mesaj.

Va asteptam cu drag!
