Invitation Letter

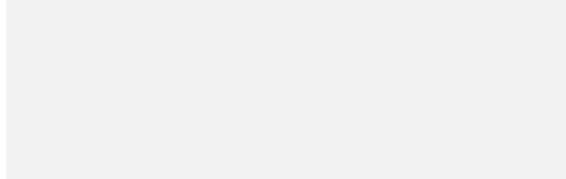

It is my pleasure to invite Prof. Eng. Vlad Mureșan, Ph.D., from the Faculty of Automation and Computer Science, Technical University of Cluj-Napoca, Romania, to visit the Department of Informatics, Bioengineering, Robotics and Systems Engineering, University of Genoa, Italy, in the period January 22 – January 28, 2026.

The visit is intended to promote and enhance the bilateral collaboration regarding to academic education, training and research between our faculties and to establish the main organizing aspects regarding the “The 13th IFAC Symposium on Control of Power & Energy Systems (CPES 2027)” which will be held in Cluj-Napoca between June 10 – June 12, 2027. The Symposium will be organized by the Technical University of Cluj-Napoca, Faculty of Automation and Computer Science, under the patronage of IFAC – International Federation of Automatic Control, as a triennial symposium sustained by IFAC CC 6.3. The IFAC Coordination Committee CC 6.3 includes 3 Technical Committees: TC 6.3.A. Power Systems and Power Electronics; TC 6.3.B. Energy Generation and Energy Systems; TC 6.3.C. Smart Cities and Sustainability, Prof. Vlad Mureșan being member of TC 6.3.A.

I am looking forward to seeing you at University of Genoa.

Sincerely,

SEMNĂTURĂ OLOGRAFĂ REDACTATĂ

Prof. Eng. Michela Robba, Ph.D.
Chair of IFAC CC 6.3.
